

Malone's Party Planning Tips:

☘ Figure 3 appetizers per person, per hour:

A three hour party with 10 guests calls for a 90 pc. appetizer.

☘ Variety is strongly recommended:

We suggest 3 or 4 appetizers for a party of 8 - 10 and 6 or 7 appetizers for a party of 50 or more guests.

☘ 1 lb. of salad will feed 4 guests on average.

We suggest adding croissant rolls if salad is being served as an entree.

☘ Consider adding side dishes when ordering Appetizers and Gourmet Sandwich trays.

☘ Please inquire about Beverages.
